E. Belle Boyd had 203 and  
was declared elected. Qualified by William K. Davis, Justice  
of the Peace.

At 8:15 P. M. the Moderator made known the result of  
the ballot.

The meeting was again called to order and we proceed-  
ed with the remaining articles of the warrant.

On motion of Hayden E. Cheney it was voted that the  
remaining town officers be appointed by the Selectmen.

Article 2. The Finance Committee recommended  
that the Budget be accepted as printed in the Town report  
with the following change: Town Hall expenses be \$375.00.

Winfred A. Snow asked that the Cemetery appropriation be changed from \$25.00 to \$100.00.

William K. Davis asked about money for the relief work as the money available was probably not enough to finish year.

After much discussion it was decided that an adjourned Town Meeting be called if money was needed to be raised for relief.

On motion of Hayden E. Cheney it was voted that the budget as printed in the Town report with amendments, \$375.00 for Town Hall and \$100.00 for Cemeteries be accepted.

Article 3. The Finance Committee recommended that the reports of all officers and agents be accepted as printed in the Town report, also that the Selectmen be requested to explain the following items: Page 50, snow pay-rolls of \$229.20 received by Selectman Downing.

Page 38, item in regard to mileage paid to Selectman Rowe, 86 $\frac{1}{4}$  miles at 8 cents per mile, total \$6.90.

Page 44, Health department, items relating to the smallpox case.

As requested, Selectman Downing read and explained the snow pay rolls. William K. Davis and John G. Rowe explained the mileage paid Mr. Rowe was before the 1934 Town Meeting.

William K. Davis explained items relating to the smallpox case.

On motion of A. Ralph Estabrook it was voted that, since the explanations were made the reports of the officers be accepted as printed.

Article 4. The Finance Committee recommended that the Selectmen be authorized to hire money in anticipation of taxes.

On motion of Ralph W. Marden it was voted that the recommendation be accepted.

Article 5 The Finance Committee recommended that Article 5 be passed over due to the fact that the matter contained in this article is duplicated under Article 14.

On motion of William K. Davis it was voted that the recommendation be accepted.

Article 6. To see if the town will appropriate the sum of \$400.00 for control of White Pine Blister Rust. The Finance Committee did not recommend the raising of \$400.00 in view of the possibility that there will be a project to do it.

John H. Baker made a motion that Article 6 be passed over. Motion carried.

Article 7. To see if the town will vote to adopt the provisions of the Municipal Budget Act.

The Finance Committee recommended that inasmuch as the town has already previously adopted a plan which is in substance a duplicate of the so-called Municipal Budget Act, and after careful study with the chief accountant of the State Tax Commission the provisions of said act. Making a comparison of the provisions of each and after hearing the personal advice of said accountant, feel that the present Financial Committee is a better working plan for our particular town, recommends that we maintain our present plan, therefore does further recommend that we pass over Article 7.

Ralph W. Marden explained why the present Finance Committee was best for this town.

Hayden E. Cheney explained the Municipal Budget Act and compared the rules and regulations with the rules and regulations of the present committee.

On motion of Hayden E. Cheney it was voted that the

article be acted on by hand ballot. On motion of Hayden E. Cheney it was voted to pass over Article 7.

Article 8. To see if the town will vote to raise and appropriate the sum of \$359.50 to purchase materials for painting inside of Town Hall, cost of labor to be cared for by New Hampshire ERA.

The Finance Committee recommended, after careful observation, that the upper hall needs painting, but that the work needs to be done by experienced painters rather than by the average labor that will be secured by ERA labor. In view of the fact that the upper hall does need painting the committee recommends that the selectmen be authorized to bring in bids or other information at the next annual Town Meeting, also that the selectmen be instructed to permanently repair all leaks in the roof at the earliest possible date.

William K. Davis explained the article and gave the reason that the money should be appropriated in order to secure other ERA projects.

William A. Gilmore made the motion that the article be accepted as printed in the Town report.

After much discussion the motion was carried.

Article 9. The Finance Committee recommended that the Selectmen be instructed to take legal proceedings to close the road known as the Bartlett road leading from Bear Hill road to Merrimac road, that is to say, that part of said road that is in Newton.

On motion of Leon G. Ingalls it was voted to accept the recommendation.

Article 10. The Finance Committee recommends that the Selectmen be instructed to take legal proceedings to close the road known as the Betty Farmer road, at a point beyond the Abel Fowler place so-called, to the South Hampton line.

On motion of Hayden E. Cheney it was voted to close this road.

Article 11. The Finance Committee, due to the fact that there has been submitted, under prospect of a project to build sidewalks in the town, they do not consider it feasible to expend any money on sidewalks. Also, due to the fact that under this article, the expenditure would be without limit. Therefore, the committee recommends that any previous votes standing on the town records appropriating or setting aside funds for sidewalk construction be hereby rescinded and that no new construction of sidewalks be made except by special appropriation.

After explaining the article more fully, Wilbur R. Sargent made the motion that this article be accepted as printed in the Town Report. Motion was lost.

Article 12. The Finance Committee recommended that the Selectmen be instructed to take legal proceedings to close Wallace Street from Highland Street to the foot of the hill.

After much discussion, a motion was made by Ralph W. Marden that the article be accepted as printed in the Town report. Motion was lost.

A motion that the article be passed over was lost.

On motion of Ira M. Downing it was voted to repair Wallace Street.

Article 13. The Finance Committee recommended that this article be passed over.

On motion of Ira M. Downing it was voted to pass over this article.

Article 14. The Finance Committee recommended that the town accept State Aid of \$1,994.00 for construction of the Class II highway known as the Peaslee's Crossing road and raise and appropriate or set aside for said purpose the sum of \$997.50.

On motion of William K. Davis the recommendation was accepted.

Article 15—Number 1. The Finance Committee recommended that no postage be allowed or paid for the Tax Collector.

The motion made by Wilbur R. Sargent that the recommendation be accepted, was lost.

Number 2. The committee recommended that the Highway Commissioner be instructed to expend \$500.00 of the Town Maintenance money for the purchase of tarvia and other material for the purpose of applying a permanent surface on a part of the roads already graded.

On motion of William K. Davis it was voted to accept the recommendation.

Number 3. The Finance Committee recommended that all tools and equipment pertaining to the construction and maintenance of highways, including the tractor and plow, be placed in the custody of the highway agent, he to be responsible for the care and upkeep of the same and that he shall render as a part of his annual report, an inventory of the same, setting forth the condition of all equipment with his recommendation for repairs, alterations or purchase for replacement or additions.

Also, that all tools and equipment pertaining to fire prevention, both forest and buildings, including chemical combination pump, sewer pump, ladders and reservoirs be placed in the custody of the fire chief, he to be responsible for the care and upkeep of the same. He to use his discretion as to loaning the same with power to collect such fees for the use of same as he may determine. Also that he render as a part of his annual report an inventory of the same, setting forth the condition of all equipment with his recommendation for repairs, alterations or purchase for the replacement or addition thereto.

On motion of Kenneth F. Briggs it was voted to accept the committee's recommendations.

Number 4. The Finance Committee recommended that all the records and recommendations of the Financial Committee and the record of the vote thereto at the annual meet-

ing, be made public and open at all times to any legal voter or taxpayer of the town.

On motion of Hayden E. Cheney it was voted to accept the recommendation.

Wilbur R. Sargent made the following motion: "That a filing fee of \$1.00 be charged any applicant for the office of Road Commissioner. The above vote to remain in force until changed at some future Town meeting." Motion was carried.

Wilbur R. Sargent made the motion "The the sum of \$100.00, raised in the budget for the Police Department, be paid to the Chief of Police for the ensuing year, at the end of the year. The Chief of Police to have charge of the expenditure of the above amount raised, he to pay any other police officer an amount they shall agree upon for any service rendered at the Chief's request.

The Selectmen to appoint police or special police to serve without pay unless hired by the Chief of Police.

The Chief of Police may request the Selectmen to appoint any person a police officer if it be for the best interest of the town, the appointment, however, shall be at the discretion of the Selectmen. The amount raised shall not be exceeded in any year except in an emergency and then only by a majority vote of the Selectmen and Finance Committee combined.

The above does not mean to conflict with the power the Selectmen now have to take charge of the Police department in any emergency or remove from office any Chief of Police or police officer.

The above vote to remain in force until changed at some future Town Meeting." Motion was carried.

Hayden E. Cheney made the motion that the vote taken at annual meeting of March 1934, instructing Finance Committee to hold public meetings for the purpose of making known their recommendations, be hereby rescinded and the following be adopted: "That the Finance Committee be in-

structed to have made the necessary number of mimeograph copies of their recommendations and mail one to each household in town so that the copy will reach them at least one day before the annual meeting, the expense of same to be paid from the general expense account."

Motion was carried.

Earle B. Nichols, Moderator, appointed John Favor, William T. Illsley and Ralph W. Marden, to serve three years on the Finance Committee.

As there was no further business, the meeting was adjourned without date at 10:45 P. M.

Recorded truly,

MARY A. S. HAYFORD,  
Town Clerk.

Newton, N. H., May 15, 1935.

Special Town Meeting called to order at 7:15 P. M., E. S. T. by the Moderator, Earle B. Nichols, who proceeded to read the warrant.

Twenty-nine voters present.

Article 1. To see if the town will vote to raise and appropriate the sum of \$1,000.00 for relief purposes.

Raymond Houle questioned the right of voting on spending money with the small number present. William K. Davis replied that when the proper notice was given there was nothing on the statutes about the number to be present. He also explained the amount available, Harris Fund, \$1,200.00, and Dalton Fund, \$800.00.

Questions asked by Stacy Merrill, Raymond Houle and Ralph Marden.

After some discussion, Ralph Marden made the motion that the sum of \$1,000.00 be raised for relief work and the motion was carried.

Article 2. To see if the town will vote to raise and appropriate the sum of \$100.00 for salary for the relief work agent.

Representative A. Ralph Estabrook explained the new relief "set-up." Bessie Bliss made the motion that \$100.00 be raised for the salary of the relief agent.

After a discussion the motion was carried.

There being no further business the meeting was adjourned at 7:45 P. M., E. S. T.

Recorded truly,

MARY A. S. HAYFORD,

Town Clerk.

## Report of Superintendent of Schools

---

To the School Board and Citizens of Newton:

It is with pleasure that I present my annual report as Superintendent of Schools. Included in this report is the school organization for 1935-1936 and reports by the Music Supervisor and the School Nurse.

Again there has been no change in the teaching staff since my last report. I consider that we are indeed fortunate to be able to retain the services of our present teaching staff.

There were 143 pupils enrolled last year, which was 16 less than during the previous year. The attendance for all schools averaged 96.11% of the membership. The average for the state was 94.66%. Our record of attendance is highly commendable. Eighteen pupils graduated from the eighth grade and sixteen of these entered high school. The Sons of the American Revolution medal was awarded to Christine Colby.

The following list shows the names of the Newton pupils attending high schools, together with the name of the school attended and the grade of the pupil:

Robinson Seminary—Alice Avery; Lucille McCombs, Grade 11.

Merrimac High School—Martha Green, Grade 10.

Haverhill High School—Merton Cheney, Grade 9; Eleanor Willey, Grade 9; Elsie Chrigstrom, Grade 10; Evelyn Shaw, Grade 10; Wilton Osborne, Grade 10.

Sanborn Seminary—Grade 9, Beth Ashton, Dana Austin, Claude Bower, Robert Bower, Christine Colby, Dorothy Davis, Gladys Debrosky, John Hanson, Gertrude Kelly, Geraldine Locke, Ruth Locke, Hector Pelly, Howard Quim-

by, Alice West; Grade 10, Lillian Cowell, Gertrude Ker-shaw, Leslie Pelly, Robert Rowe, Harvey Seel, Eleanor Snow, Vera Wilson; Grade 11, Frank Austin, Virginia Colby, James Courser, John Fowler, Richard Gormley, Eleanor Marden, Virginia Snow, Edna York; Grade 12, Vincent Anderson, Eugene Clapp, Arlene Merrifield, Gertrude Wilson.

This year, as in previous years, the display of school work at the annual fair of the Eclipse Grange proved to be a great center of interest for parents. The display was especially interesting for it not only showed the type of work that is being carried on in the classroom, but also represented the accomplishments of the average school child.

November 11-15 was observed as National Education Week in our schools. In observance of this week invitations were extended to parents to visit the schools. The response was excellent.

On November 26th the operetta "Love Pirates of Hawaii" written by Otis M. Carrington was presented by the children of grades five through eight. A very large audience was in attendance and the entertainment was well received. Our Rhythm Band played two selections before the operetta. The entertainment was also a financial success. The net proceeds amounted to thirty-four dollars and eleven cents.

With funds earned by school entertainments an upright piano has been purchased for the Junior School to replace the old one. An excellent set of music appreciation records has also been purchased for use in all the schools. With these records musical appreciation will be carried on more effectively.

The exterior of the Rowe's Corner building is in need of paint, and it is hoped that it will be possible to do this next summer. It seems advisable to paint one building every two or three years, rather than have the work come all at one time.

Beginning with the opening of school in September

the fifth grades of the Junction and Village Schools were transported to the Rowe's Corner School. By this arrangement all of the fifth and sixth grades of the town are located at this school. This leaves the Village Primary and Newton Junction with each having the first four grades.

Free milk for needy children was furnished all last spring, as in former years, but no funds have been available last fall and this winter.

Again Red Cross money has been available for first aid materials and clothing for a limited number of children. I hope that it will be possible in the near future to bring a dental clinic to Newton.

Last spring a new method of teaching penmanship was introduced. Letter forms, slant, and arm movement are about the same as in the former method. The feature of the new plan is that instruction becomes individual instead of group. The practice work is designed to remedy more effectively the defects in the penmanship of the individual. After a word, sentence, or paragraph has been copied from the model, it is analyzed by the teacher for defects. Then each child works to improve his writing by overcoming the difficulty. There are awards in the form of badges for those children that reach the standards set up for each grade.

Good teachers are the first requirements for effective work in education, but, regardless of the experience and standards of the teaching staff, close and efficient supervision is required to secure satisfactory results. In supervision, the chief function is to further the child's learning and growth. More recent thinking in the field of education has been directed toward the bettering of conditions which affect learning. Visiting and conferring with teachers is important; but this is not all. The selection of subject matter, supplies and equipment, the scientific study of teaching problems, the development and maintenance of professional spirit and morale are very essential.

The policy of the School Board in liberally supplying equipment, supplies and text books is commendable. The

materials of instruction are thus kept up to date.

There is good progress in the work of all our schools. The fundamentals are being adequately stressed. To aid in directing instruction in the fundamentals Standardized tests are given each year. Thus we are able to determine the standing of each class and individual as compared with others in the same grade elsewhere. These tests have another valuable function—to determine the points of weakness in each pupil's preparation, and thus to guide the teachers in providing drill where most needed. Many progressive tendencies prevail. The pupils are developing responsibility, co-operation, service and other character points through school room activities. Individual differences are cared for. Creative experiences in art, dramatics, music, English expression and other fields are fostered.

Much space might be taken here in stating the progress the schools are making. An occasional visit of an hour or more and a conference with the teacher at the end of the day will be far more satisfactory to parents and to others who are interested than to read about school activities. Newton children are at work at least 175 days in the year, and both teachers and superintendent are only too glad for the townspeople to get better acquainted first hand with the things they are doing.

In conclusion, I wish again to express my appreciation to the teachers and pupils, to the School Board and to the parents and patrons of our schools for the loyalty and co-operation which has contributed so much to the children's progress.

Respectfully submitted,

WILLIAM J. NELSON,

Superintendent of Schools.

February 15, 1936.

## Report of Supervisor of Music

---

To the Superintendent of Schools:

I herewith present my annual report as Supervisor of Music in the Newton Schools.

The Third Book from the Music Hour Course, by Silver, Burdett & Company was added at the beginning of the school year 1935-36. "The Music Hour" is a new course which deals with music problems through charming song material.

In the annual reports I have more than once given the aims of the work in detail; this year I will give a quotation from a new outline of our series of text books; we seek "to develop power and enthusiasm in participation and enjoyment in listening."

"Love Pirates of Hawaii" an operetta in two acts by Myers and Carrington was presented by the intermediate and grammar grades November twenty-sixth. The operetta was well received and a success financially.

In looking back over the year's work I find in every case cooperation and pleasant classroom associations. In closing I wish to express my thanks to you and the teachers for the interest and support given me.

Respectfully submitted,

EVA W. THOMPSON.
